Our Intermediate Hub tamariki have been working very hard learning eleven dances for their end of year **social dance** this evening from 6.30-8pm. This evening is always a highlight and a really fun and enjoyable event. Thank you to Caro and Emily for organising the evening and teaching the tamariki a range of dances over the last few weeks. Parents are welcome to come at 7.50pm to join in the dancing to finish the evening off. We will share photos of the evening in next week's newsletter.

Twenty four OLRs tamariki represented OLRs with pride at the Interzone Athletics last week. We are waiting for the results of those who have qualified for the Regional Athletics being held next week on 26th November.

Mrs Carter

Mrs Carter is the teacher in room 10. One thing people don't know about her is that she likes fishing, catching them and cooking them. One of her favourite things they have done in class was learning about "creepy crawls and bugs!" She said, "The kids enjoyed it and brought them into the class." She became a teacher because she enjoyed being around children and teaching them. Mrs Carter enjoys teaching the juniors the most because they are funny, fun and quick learners.

Hanah & Harmony

Today, we got to know Daniel, Rye, Harmony, and Hanah in table groups! They love things like playing on iPads, going to the playground, making secret bases, and gymnastics. Today, they worked on a Hickory Dickory Dock poem sheet, which was a bit tricky but fun. Their favourite part of the day was definitely morning tea and lunch, especially playing on the playground! By Lincoln

PJ, Miliya and Sterling are year 1s in room 10 they all share a green tepu. Miliya likes the colour Pink! She also likes kitty cats. 🐱 Something they have been doing during class is ART!!!! and games too. They have been doing poems and today they listened to the Hickory Dickory Dock poem. By Dawn.

Mrs Carter is very nice. She lets us play games and go on the ipads. We like being in Room 10 with our friends. Laura is our Teacher aide. We can watch Peppa Pig while we eat our morning tea.

The things Kyson likes is school, reading and his class. Kyson's best friends are Daniel, Xavier and more.
By Hazel

Milly is a Yr 1 student in Room 10. She enjoys playing outside, and her favourite subject is everything in class. Her favourite animals are Turtles and Giraffes. She likes Turtles because they swim in the ocean, and she likes Giraffes because they eat leaves. She enjoys eating cookies, because they have chocolate.

Esme

Veronica is a year 1 in room ten (and also my sister), and she has Prader Willi Syndrome. She likes Mrs Carter, books, hugs, her scooter, and the playground at our school. Her favourite colour is pink or purple, and her favourite thing to do is just sit at the table, and colour in a piece of paper. After that, she scrunches it up and puts it in her bag. She also likes picking nice flowers and leaves and the teachers wrap them up in paper towels for her. By James, Veronica's brother.
